

The opening of the new Prince Charles school in Newmarket last week was like "first day at school" this term. Children were excited about moving from temporary accommodation in other schools to the new spacious classrooms. Teachers Audrey Rowland and Margaret King, right, are seen on an inspection tour with pupils at recess on the first day. The south side of the modern one floor school can be seen in the background. Large windows which are down almost to ground level permit maximum light in the class rooms.

## District herds, plowmen place high At Alliston International, Markham fair

Newmarket and district farmers won honors on the field and before the judging stands in two widely separate events, the Markham fair on the weekend and the International plowing matches near Alliston. The matches will not be over until Friday, but in early awards, the names of several district plowmen were noted.

On Tuesday, when plowmen of nearby counties competed in "locals" events, the name of Timbers was again prominent. In class one, horses open, Harley Timbers, Unionville, was second. In class three, horses, boys and girls under 20 years, Eugene Timbers, Milliken, and Merle Timbers, Aurora, placed first and second. F. Steckley, Stouffville, placed second in class ten, tractor, three or more furrows. Norman Magee, Newmarket, placed second in class 11, tractor, two furrows. The best going plow team was won by Eugene

Timbers, Milliken. Sheldon Walker, Sharon, won first in the teams and equipment class. Mr. Walker's team will be remembered as that which pulled Santa Claus into town last year.

At Markham fair, three district entries placed high in the Guernsey classes. Allen Balsdon, Queensville, had senior champion bull and reserve grand champion bull. He placed first with bull, three years and over; eighth with junior heifer calf, fifth and eighth with senior heifer calf; fifth with junior yearling heifer; seventh with senior yearling heifer; and fifth with two-year-old heifer. Crossland Farms won the Eaton Trophy for best uddered cow, senior championship and grand championship. The farm also won first for three-year-old milking cow; first for senior calf; fourth and sixth for junior calf; fifth and sixth for junior heifer calf; sixth for senior heifer

calf; fifth for senior yearling heifer; fourth for two-year-old dry heifer.

Glenville Farms won second for senior calf, fourth for junior yearling heifer, third for senior yearling heifer, third for two-year-old dry heifer and seventh for junior heifer calf.

Crossland was third and Glenville Farms fifth in junior herd, and Balsdon was fourth and Crossland fifth in junior get of sire.

In the Black and White show, Bill Taylor, Jr., was first, Charles Haines second and Bernard Taylor third in junior heifer calves. Haines also placed third with senior yearling bull. All three are from Sharon.

H. C. McCloskey, Queensville, was first with junior yearling bull, junior championship and grand championship. He placed first with dry three-year-old cow, second for progeny of dam and third for junior yearling heifer.

## Archelas Poulin's miniatures On display in 35 foot trailer

Archelas Poulin and Mrs. Poulin, natives of Megantic, P.Q., are in Newmarket this week at the market square. Their 35' trailer truck contains a woodcarving display called Canada in miniature.

A panorama of life in old Quebec, the display consists of miniatures assembled into small scenes depicting old rural life in Eastern Canada, particularly in Quebec and the Gaspé peninsula.

One section of the miniature display follows an old couple through a complete year's work from New Year's celebrations to

seeding, reaping and traditional midnight mass at Christmas. Another shows an old time dance hall with dancers and orchestra. Archelas Poulin, a cripple, was injured during his 20's in a logging accident. As a laborer he was loosening a pile of frozen logs when they fell on him; the accident resulted in three years of hospitalization. He turned his hobby, whittling, into a business by creating his miniature display with a pen knife. Eastern Canada in miniature will be at the market square each day until Saturday, open from 2 to 5 p.m. and 7 until 11 p.m.

## Red Cross need Said great as ever

The need for the continuing effort of the Red Cross was stressed at a meeting of the Newmarket branch on Tuesday by Mrs. A. C. McKenzie, Beaverton, provincial program convenor. "We won the war but we did not win the peace. Soldiers again are going to army camps and the Red Cross is needed," she said.

Mrs. McKenzie emphasized the wide scope of Red Cross activities. She told of the programs of other branches and urged that every effort be made to encourage support from the public and other organizations. Let the people know what you are doing, she said.

She told of the water safety program, loan cupboards, provision of cod liver oil and tablets for preschool children, and emphasized need to continue to assist veterans. She urged every effort be made to encourage junior Red Cross activity.

Service badges were presented by Mrs. McKenzie to Mrs. P. J. Tod on behalf of her husband, Mr. Jesse Louise Richardson, Mrs. Jesse Patrick, and to Mrs. P. J. Tod for her sister, Miss Ida Williamson, and one for H. E. Lambert, now in Brampton.

## Fred DeBruyne appointed To Morrisburg branch

Fred DeBruyne has been appointed accountant at the Morrisburg branch of the Bank of Montreal and left early this week to assume his new position.

Mr. DeBruyne was on the staff of the Newmarket branch of the bank before the war and after service overseas, returned here. He married the former Margaret Mathewson.

## HOPE ICE SATURDAY

If no unforeseen obstacles rise, the possibilities are strong for skating by Saturday. The ice machinery is being checked and the new 60-cycle motor has been installed.

Saturday would be the earliest possible date as a 72-hour running period is required to chill the floor sufficiently to proceed with flooding. Rink manager Stan Smith indicates the flooding will start as soon as possible.

## PROPOSE VETS' NIGHT SCHOOL HELD AT N.H.S.

The use of Newmarket high school for night classes in vocational study for veterans was authorized by the Newmarket-Sutton high school district board Tuesday night. The proposed course would be the Veterans' Winter Construction course sponsored by the V.L.A. to aid veterans in home building projects.

The courses which have been proposed by V.L.A. are particularly for veterans planning to build their own homes next year. Although arrangements have not yet been completed by V.L.A. for Newmarket, many communities have already started preliminary organization.

The V.L.A.'s proposed Winter Construction course would provide night lectures in home building and perhaps some practical instruction. Veterans will likely obtain their own particular plans and follow them with instructors in the V.L.A. classes.

Instruction will include reading and understanding plans, all manner of construction work such as masonry, plumbing, carpentry, heating, wiring. The course will include everything which involves building a house from basement to the roof.

## Hutchinson sells business To St. Catharines man

Percy Hutchinson has sold his Main St., Newmarket, tobacco business to Grant Fulsome, St. Catharines. Mr. Fulsome took possession on Tuesday.

Mr. Hutchinson began the operation of his tobacco store nearly five years ago when J. L. Spillette and son moved from that location to their present site. Last year, Mr. Hutchinson was arena manager.

Mr. Fulsome is married and has a married daughter. He was in St. Catharines for 25 years, moving then to Crystal Beach and then to Newmarket.

## Shirley Andrews appears With Ice revue Oct. 27

Shirley Andrews of Newmarket will appear professionally with the International Ice Revue which will be showing in the Newmarket Arena for one day, Friday, Oct. 27. The revue stars Eileen Seigh, who comes from the Centre Theatre, New York, and Ice Capades in Hollywood. With her will be Jerry Rehefeld, former skating partner of Barbara Ann Scott, the Whites, an adagio team, and a cast of 50. Miss Andrews toured Canada with an ice troupe last year and the Newmarket show is on the opening of this year's trans-Canada tour. She is the daughter of Mr. and Mrs. C. A. Andrews.

## Lions bring sons To club meeting

It was Father and Son night at the Newmarket Lions club on Tuesday in St. Paul's parish hall. The annual event is becoming one of the most popular meetings of the club's season. The sons ranged in age from a couple of years to mature partners with their fathers in business.

The toast to the sons was proposed by George Byers and answered by Terence Budd. Bert Budd was in charge of the program which featured some pleasant singing to the accordion accompaniment of Ian Meadus, and selections by the mouth organ band. Russell Broadbent, as the professor who could read minds, delighted the boys with his wizardry.

## FIGURE SKATING CLASSES

Newmarket Figure Skating club organized several months ago will start class instruction lessons on Thursday, Oct. 19, at the Newmarket memorial arena at 3 p.m. At present, the club has a membership of 150. Eight classes in all will be conducted each Thursday from 3 p.m. to 7 p.m. Membership includes 18 boys. All classes are filled to capacity with the possible exception of an opening for a few preschool children for the 3 o'clock classes.

## Start construction On high schools At Nkt., Sutton

Contractor's equipment moved to the Newmarket high school grounds on Saturday to begin construction of a new vocational wing. In Sutton another contractor also started preliminary work last Thursday on the new building program for the Newmarket-Sutton high school district. New wings on both schools are expected to be completed by next spring.

A report was made to the district board at a meeting in Sutton on Tuesday night that debentures to pay for the additions have been officially approved by the Ontario municipal board. Contracts have been signed for the Newmarket wing with the James Kemp Construction Co., Hamilton and for Sutton with the J. C. Smith Construction Co., Toronto.

## Car thief, crash victim Sentenced to three mos.

George Bernard Shaw, one of two Winnipeg youths who stole a Newmarket car recently was sentenced to three months in the reformatory at magistrate's court last Thursday. He stole a car owned by Harold Tomlinson from D'Arcy St. September 19 and led provincial police on a wild chase nearly to Orangeville.

K. M. R. Stiver who interviewed the youth at the request of Magistrate O. S. Hollinrake said that Shaw had a grudge against society. He said he had been detained by Toronto police twice amounting to a total of fifteen days on vagrancy charges.

Shaw was still suffering from a broken collar bone which was a result of the accident on the night of the chase. A companion, Eddie Chudzik is still receiving hospital care for a broken leg.

## PLAN SALVAGE DRIVE

The Aurora branch of the Canadian Legion is planning a paper salvage drive in early November and Aurora householders are asked to save all waste paper and magazines.

Chairman of the district board, A. N. Belugin, said that construction was being held up by a shortage of steel but deliveries for Newmarket are expected by December 1. Work on both buildings will go on through the winter for early completion in the spring, he said.

The Newmarket wing will be two storeys high with shop training equipment in the basement, domestic science rooms on the first floor and an agricultural laboratory on the second floor. Plans also call for a number of storage rooms.

In Sutton a vocational wing will be constructed. An understanding has been made that students of the public school in Sutton will also use these facilities. A combination auditorium and gymnasium will be added to the Sutton high school as well.

The municipalities of both Newmarket and Sutton are taking out debentures for the buildings in each town but 70 percent of the cost of the debentures will be paid by the province and the remaining share will be spread through the municipalities in the high school district in direct proportion to their assessments. Based on payment over 20 years, Newmarket's share of the cost will amount to a little over \$1,000 a year.

The cost of the Newmarket wing, originally estimated at \$95,000 is expected to be \$85,000. Newmarket will be paying one quarter of that, over 20 years.

The Newmarket Badminton Club was given permission by the board Tuesday night to use the gymnasium at Newmarket high school for two nights a week as in the past.

## Strong opinions on Fire dept. purchase, Reeve stands alone

"My conscience is clear," said Reeve A. A. Cook, Aurora, chairman of a committee which was asked to decide where Aurora would purchase its new fire fighting equipment. The reeve opposed the fire department's request for a certain type of equipment. Mr. Cook said that he preferred the purchase from an all Canadian company.

A motion had been put forth at council meeting by Victor Jones, seconded by Councillor Corbett that the recommendation of the fire chief for purchase of Hickey equipment be considered and that council approve of a \$7,506 expenditure. Council also voted that the chassis, which will bring the truck up to approximately \$12,000, be purchased from J. E. Tulloch Ltd. agents for International Trucks.

Reeve Cook was the only member of council to vote against the motion when Councillor Victor Jones called for a recorded vote. "My responsibility to the ratepayers of the town has been met," said the reeve who felt that the Bickle Seagrave Company's manufacturing in Canada, using all Canadian material and employing all Canadian labor made it possible for this committee to submit the lowest estimate and that it should be given the order.

Councillor Don Glass agreeing with the reeve's viewpoint, said that if he was buying the truck for his personal use he would favor the Canadian company. This opinion was also voiced by Councillors Davies and Corbett. They all agreed however that they could not vote against the firemen.

"We have a wonderful fire department and should give the men the equipment they have asked for," said Councillor Jones. "They are the boys who have to use the truck and their wishes should be considered."

Fire Chief Harry Jones held to his recommendation for the Hickey equipment after hearing the representatives from three companies explain the merits of their products. He presented a petition signed by 17 volunteer firemen requesting that the chief's recommendation be accepted.

Councillor Harold Pringle moved a vote of thanks to the committee for the work it had done. "It is the biggest undertaking I have ever seen in council and I think the members deserve our thanks for their extensive research in the matter," said Councillor Pringle.

## Extend public invitation For first 'workshop' meeting

The executive of the Newmarket Dramatic Club has extended an invitation to all persons interested in amateur theatricals to attend its first open meeting. The meeting will be held at the town hall on Tuesday, October 17 at 8 p.m.

The club wishes to increase its membership. The purpose of the open meeting is to acquaint as many people as possible with the aims and objects of the organization. A workshop program has been planned whereby more scenes will be placed on behind-the-scenes activity. Special study is being considered for interpretation of plays, characterization, make-up techniques, direction and staging. All aspects which make up a successful show are to be discussed by the group. Actors will perform short preview scenes at the meeting. The club's first play of the season, "Dirty Work at the Cross Roads," a gay 80's melodrama is to be presented at the town hall on Friday and Saturday, November 3 and 4.

## Club starts aid for Family left homeless By Thanksgiving fire

On Thanksgiving Day fire destroyed the home of Mr. and Mrs. Raymond Buckle at Roche's Point. Since they lost their home and entire possessions, friends and neighbors have been giving the family a hand. A man from Toronto offered his summer cottage furnished completely and others have offered money. A Keswick group called the Dizzy Dozen club has organized a drive to help the family with clothes and furnishings.

Raymond Buckle, 30, who came to Canada a little more than a year ago from England, was notified at work that his house was on fire. Mrs. Buckle and their four small children were shopping for a Thanksgiving Day dinner when the fire broke out. A passing motorist broke into the burning house and spread the alarm but firemen were not able to save anything.

"Everything we own is gone, not even a toy left," said Buckle who is employed in a Lake Simcoe boat yard. Their four children are Morris, 6, Brenda, 4, Valerie, 3, and Cynthia, 18 months.

The Dizzy Dozen club in the meantime asks that if anyone

wishes to offer help in any way to contact them.

"We are asking people to look around their own homes and take stock of a few articles they could part with," suggests Mrs. Milford Rye, secretary of the club. "A chair, a bed, an old cupboard, a quilt, a pair of pillows, bag of potatoes, winter coat or a few dishes and children's clothing would be helpful."

Donations may be left at the home of the president, Mrs. Jas. Findlay, Keswick, or Mrs. Milford Rye. "In this way we could help Mr. and Mrs. Buckle to be thankful for the Thanksgiving season despite their bad luck," says a club member.

## Police believe 'teens' Steal city, lake cars For round trip

Police, suspecting teen-age groups, say that the practice of stealing cars in Toronto, driving them to lake points and then stealing other cars for the return journey, has been a common one during the summer.

Two cars belonging to Toronto residents were found abandoned on the Lake Shore Road and on the old radial track a mile west of Jackson's Point on Sunday. A car belonging to Miss Virginia Cain, Eglinton Avenue, Toronto, holidaying at Keswick Beach, was stolen.

The Cain car has not been recovered. Constable Carl Morton is investigating.

## 1928 model demolished Driver in hospital After 'Landing crash

Archibald McMillan of Jackson's Point was admitted to York County Memorial Hospital, Newmarket, Monday night after an accident at Holland Landing. He suffered from head injuries. McMillan was a passenger in a northbound 1928 model Ford driven by Erwin DeGeer of Sutton West, who was attempting to make a left-hand turn when struck in the rear by a truck driven by Nick Huck, R. R. 2, Newmarket. Force of the impact threw DeGeer into the southbound lane where his car was hit in the rear again by a truck driven by Fred Doholish, 23 Garnet Street, Toronto. The old car was totally demolished. DeGeer escaped uninjured. P.C. Robert Chute of the Ontario provincial police investigated.

## TRAFFIC HEAVY

Traffic of midsummer proportions rolled over No. 11 Highway during the Thanksgiving holiday weekend. Heavy rain on Monday evening resulted in numerous minor accidents due to slippery roads, the only major one up to midnight on Holland being an accident at Holland Landing.

## NEW DIRECTORIES OUT

## Shake well before discarding Bell advice for old books

Back in 1878, a telephone subscriber could pull out a sheet about 18 inches long from his inside pocket, unfold it and find there the names of 68 people who had a telephone. That was Canada's first telephone directory.

You couldn't do that today with Newmarket's new directory. The one page listing has grown into a sizeable book which contains 4,397 new and changed listings alone. The new October, 1950 edition of the telephone directory was delivered to subscribers here this week.

There are 112 alphabetical pages in the new book which contains listings from Newmarket, Aurora, Roche's Point, Sutton and other centres.

In view of the large number of changes, C. E. Blodale, Bell Telephone manager here, advises subscribers to discard last year's green covered book. He also suggests that office desk-pads, note books or cards pinned to the wall should be checked and changed, if necessary, in line with the thousands of revisions appearing in the new edition.

Subscribers should also give the obsolete directories a thorough "shaking out" before they are discarded as old books have been found to contain documents, folding money and letters.

### MOUNT PLEASANT

The Sunday-school that was reorganized last Sunday was well attended.

Not many at church as the mix-up in time is confusing.

Mr. and Mrs. Robt. Davidson with Mr. and Mrs. Lloyd Kay, Eva and Donna spent Thanksgiving holidays at Leveck Mines at the home of Mr. and Mrs. Ralph Davidson.

The Women's Guild will meet at the home of Mrs. Early Stephens on Tuesday, Oct. 17, at 2.30 p.m.

### PLEASANTVILLE

The pot luck dinner and quilting at the home of Mrs. Ed Johnston, Pine Orchard, under auspices of Willing Workers last Wednesday proved a decided success. The garments for the missionary bales were brought in and later packed at the home of Mrs. G. McClure and by the kindness of Wm. McIntyre was delivered to Knox Presbyterian church, Toronto, for further distribution.

Our sympathy is extended to our councilman, Sydney Legge, in the passing of his father, Mr. Thos. Legge, on Sunday, Oct. 8.

Mr. and Mrs. Earl Toole and family, also Mr. and Mrs. C. Greenwood and Mr. and Mrs. Carl Greenwood and Charles attended Markham fair on Saturday. Also attending were Mr. and Mrs. Doug McClure and Roger.

Mr. and Mrs. M. Sheridan and Miss Mary Sheridan, Mrs. A. Lloyd and Mrs. G. Wood were Sunday supper guests at the home of Mr. Ed Williamson, Newmarket.

Miss Joyce VanLuvan and a friend of Oshawa motored to Hastings on Sunday to visit friends there.

Mr. and Mrs. Harry West, Mr. N. Dike and Miss Annie Dike visited their sister and brother at Fenelon Falls on Sunday.

Mr. and Mrs. Roy McNicol and daughter of Dunbarton and Mr. and Mrs. Tom Sheridan, Bradford, spent Sunday under the parental roof of Mr. and Mrs. McNicol.

Mr. and Mrs. A. Colville were Monday night dinner guests of Mrs. Skinner and Edmund, Newmarket.

### MAPLE HILL

(Too late for last week)

Miss Viola Gillon returned to London last week after spending two weeks' vacation at her home. Mr. Bruce Knights, Gormley,

The young people's meeting was held at the home of Mr. Fred Knights on Friday evening. Special music was given by Mr. Elgin Cole on the guitar and mouth organ. A trio by three of our young ladies was enjoyed. A social hour followed.

## The Editorials: Load too heavy?

A revision of the form of municipal government seems indicated, possibly along the lines of a town manager, with a larger staff than now carried by the local clerks, and directed by an elected commission of three or five members. It is a system fairly common in the United States.

## Subsidies not the answer

there wouldn't be the waste and inefficiency that invariably accompanies the payment of subsidies, and there would be some guarantee that those who need the milk, the children, would be receiving it.

## Practical conservation

There can never be effective conservation until the proper measures are practiced as a matter of course on the land.

## Community chest

Newmarket is canvassed by several organizations which are members of the Community Chests where they exist in other centres. They would be willing to participate in such a campaign here. Others could be encouraged to join when the advantages were made known to them. All that is required is a little missionary work to make the Community Chest the practice for Newmarket.

## High farm costs

## Industries and towns

(Swift Current Sun)

This is due to the proximity of many smaller towns to important new markets, and the increased efficiency improved public and human relation which can be achieved in town units, the Chamber's resolution stated. Also that decentralization is desirable from a defence and strategic viewpoint. The chamber resolution urged its members to pursue a policy of decentralization where economic and engineering surveys indicate that it is desirable.

## An Aurora Opinion

DOROTHY BARKER

Aurora Editor

The price of milk to the Aurora consumer has practically doubled, rising from ten cents a quart to its present cost of 19 cents in less than four years. We can hardly criticize the women, especially mothers of school age children, if the rumor is true that they anticipate organizing a consumers' league to protect price advances.

The housewife has been tolerant for years, watching the increase in the cost of living reduce her allowance to the vanishing point, but when this allowance can no longer provide the absolute necessities of life, criticism and action will motivate organized effort to bring price levels within reason. We have heard men say that Consumer Leagues are just a bunch of yapping women trying to stir up trouble.

That is hardly fair. One objection is only a whisper, but collectively the voice of the women could carry within earshot of the government, which is the only apparent way control can be put into effect.

The Royal Bank of Canada in its monthly letter for August with the forceful title "Good Food is Good Business," quoted Dr. L. B. Pett, chief of the department of national health and welfare, to the effect that in one year more children died from malnutritional deficiency diseases than from infantile paralysis.

The "Minimum Adequate Weekly Food List" issued by the Montreal Diet Dispensary heads the list of complete food requirements with milk. Housewives complain when meat prices skyrocket but they can soften the effect of the increase by buying cheaper cuts or providing substitutes. But milk is milk—it cannot be stretched and the daily allowance should never be reduced in any diet.

Consumer records have shown a sharp decline in milk sales since the advance in price. Is this good business? We are depending more and more on a miracle being performed by consuming bottled vitamins. Pills will never supplement basic nutritional supplies.

We are not saying that the dairy business be singled out for immediate control. We do feel that national health is of the greatest importance today. If this is not recognized by our government and the fact that a high standard cannot be maintained if prices continue to advance, then Consumer Leagues may be the answer. Organized resentment has proved powerful in the past.

Spinning fishing is becoming more common among Canadian anglers.

## Mount Albert News

## Information about Travel Funds

New regulations covering travel funds were announced by the Minister of Finance on Wednesday, October 4th.

The main point to remember is that Canadian residents require Form H Permit to take out of Canada more than \$50 U.S. or more than \$100 of Canadian and U.S. currencies combined. Form H Permits will continue to be available at banks.

The regulation covering the use of Form H for the export of currency is a safeguard against the export of capital sums where such export would not be permitted through other channels.

Authority has been given to banks and other agents of the Foreign Exchange Control Board to approve applications for U.S. travel funds without reference to the Board for amounts up to:

1. \$500 per trip for bona fide business travel.
2. \$500 per person in the calendar year for other travel.
3. \$2,000 Canadian per year, or its equivalent, for attendance during a full academic year at a university, college or boarding school in the United States.

Applications in excess of these amounts may be referred to the Board and will be approved for reasonable amounts, having regard to the duration of the proposed journeys.

Border Travel—Individuals may obtain up to \$50 U.S. in any calendar month for use on a trip to the United States where the applicant will not be taking out of Canada more than a total of \$100, of which not more than \$50 is in U.S. funds.

LOVELY TO LOOK AT

...and a handy way to wear describe C-I-L Nylon whether it is for attractive garments or rich durable seat covers for your car.

Why

you have a better car

When you "step on the gas" in a smart new-model car, you've little thought of what Chemistry does to make this pleasure possible. Yet its contributions are manifold... both on the assembly line and for maintenance. "Duco" and "Dulux" finishes, Nylon seat coverings, C-I-L Anti-Freeze, Carbon Black, so essential to tire construction... all are products of Chemistry, which help make your car a better car. "Fabrikoid" upholstery, Plastics on the dashboard, and a C-I-L Automotive Specialty for about every maintenance requirement are contributions of Chemistry to the improved performance of your car. That's why the C-I-L Oval symbolizes the company "Serving Canadians Through Chemistry".

**AUTUMN GARDENS**

**GOLDEN GLOW**  
says

It is sometimes hard to believe  
it is October, except that the  
leaves are falling fast—covering  
the lush green lawns and flower  
beds. Out in the country you  
can still see the wild aster, the  
michaelmas daisy, turning whole  
fields purple. After our "squaw  
winter" at the end of September,  
we had days of perfect Indian  
Summer—warm enough for  
young people, over the weekend,  
to go in bathing in Lake Simcoe  
and children to paddle in the  
shallow places.

As I write it is raining and  
turning cooler, and Mr. Weather-  
man told of a deep five or six  
inch snow-fall in Manitoba, deep  
and wet enough to prevent  
threshing, so no doubt our lovely  
Indian Summer weather is now  
only memory, for we will likely  
get the snow next!

A letter from British Columbia  
told of finding the first colchici  
or autumn crocus, in bloom, so  
I at once went out to see were  
mine also in flower? I found  
them all ready to open out, —  
since then I have given many  
bouquets of them away and still  
have plenty ready to flower if  
the frost holds off. I was invited  
to see a garden which was gay  
with them. They are so fairy-  
like, so beautiful—and always so  
sort of unexpected. You see  
their leaves come up in the  
spring, and die down — then,  
when you have forgotten all  
about them, there they are,  
springing up like the spring  
crocus, out of the bare ground of  
the flower-bed, just like that,  
with no leaves—just the clumps  
of lovely mauve flowers!

**Not Just Crocus**

The autumn crocus were not  
the only glories of Mrs. Renzius'  
garden—that was where I was  
invited last week! She has such  
an interesting, such a delightful  
garden! It slopes down in ter-  
races to what we used to call  
"Piggy Lane" in the old high  
school days. That road (or  
should I say trail?) which runs  
up from Coffer St. beside Fairy  
Lake and the railroad track to  
Prospect—I suppose is really  
"Second Street"—I wouldn't  
know! But we used to take a  
short cut down there from school  
and the boys, braver than us,  
used to hop over the fences and  
cross the pond in winter!

Mr. and Mrs. Renzius bought  
the home of the late Mr. Edgar  
Bogart and have tried to carry  
out his plans for the garden he  
started. It slopes to the west,  
above the pond, in terraces  
and the view from different out-  
looks in the garden is something  
one must see to appreciate—each  
view is so different and all so  
beautiful!

The sedums were in rows, all  
in bloom—and "Kiss me over the  
Garden Fence" were six or seven  
feet tall, really looking over  
the fence! The autumn anemo-  
nies rivalled the lovely mauve  
autumn crocus in their beauty.  
They are sometimes called the  
Wind Flower, and to see them  
swaying in the slightest breeze  
is like a "song without words",  
for you can't describe it! Then  
the chrysanthemums, huge clus-  
ters of bloom, so sturdy with  
their woody stems, so satisfying!  
The trees and shrubs and all the  
beautiful things there, make it  
such a delightful spot.

The out-of-doors fire-place and  
picnic table on the lower terrace

### RETURNS HOME

Mrs. H. Doonan, Newmarket, is  
convalescing at her home after  
spending the past five weeks as  
a patient at York County hospi-  
tal. She will be confined to bed  
for another two weeks, but her  
condition is reported to be satis-  
factory.

### CELEBRATE ANNIVERSARY

Mr. and Mrs. A. G. Chantler,  
Toronto, formerly of Newmar-  
ket, celebrated their silver wed-  
ding anniversary on October 1 at  
their home, 897 Gerrard St. E.  
Mrs. Chantler is the daughter of  
Mrs. R. W. Jones, Newmarket.  
A nice time was enjoyed by all.

a five o'clock tea table and  
chairs, half way down the north  
side on a little terrace of its own  
—and a cozy nook nearer the  
house, shaded by cedars where  
one could sit undisturbed for a  
quiet hour of reading—and the  
summer house overlooking Fairy  
Lake in the north corner—I just  
wish that the late Edgar Bogart  
could see his dream come true.

**Everywhere—Gardens**

Everywhere I saw lovely gar-  
dens—all the way across to Lake  
Huron and back when on my  
holidays. Farms invariably, now  
have their enclosed flower beds  
and borders where formerly the  
farmer-folk were too busy to  
even think about them. Hydro  
and the motor-car have eased the  
burden of farm labor and one  
of the first things the farmers  
thought of was flower gardens  
when they found themselves  
with things a bit easier.

While in Chatham this sum-  
mer I was greatly interested in  
a shrub that was covered with  
large flowers just like Holly-  
hocks and it was some time be-  
fore I found out the name. It  
turned out to be the Rose of  
Sharon. There were two lovely  
bushes of them in that little  
park on Thames Street beside  
the bridge over the Thames River  
opposite Tecumseh Park, and  
when I read the inscription on  
a monument there I learned that  
the park with its shrubs and  
flowers was in memory of a man  
who had been head of the Horti-  
cultural society for quite a num-  
ber of years. Wasn't that a  
wonderful tribute for Chatham  
to pay one of her sons who had  
helped to make Chatham the  
beautiful city it is?

May I add one more item to  
this already too long article for  
if the frost hasn't come before  
this goes into print I want to  
tell you (or you can go and see  
for yourself) about some mar-  
velous dahlias, yes and plenty of  
other lovely flowers, in Mr. and  
Mrs. Norman Hopper's flower  
border at their home on Millard  
Ave. Such huge blossoms, such  
beauties. Everywhere you go  
you can see lovely gardens but  
Jack Frost will soon spoil the  
picture for us, no doubt.

### ST. PAUL'S GUILD PLANS FOR BAZAAR

The Parochial Guild of St.  
Paul's Anglican church, New-  
market, met on Tuesday, October  
3, at the home of Mrs. Earley  
Thompson. Miss Velma Thomp-  
son presided over the well at-  
tended meeting.

Members brought articles for  
the fish pond, one of the attrac-  
tions planned for the November  
10 bazaar. These items were ap-  
propriately wrapped at the  
meeting.

Mr. Joseph Waterhouse, church  
warden, attended the meeting ac-  
companied by the rector, Rev.  
J. T. Rhodes. Mr. Waterhouse  
spoke on church finances.

Mrs. Bert Budd was instructed  
to send the regular Christmas  
parcel to the English family  
which the guild adopted over  
three years ago. Parcels have  
been sent every few months from  
the group.

At the close of the business  
session, refreshments were ser-  
ved by the hostess and a pleasant  
social hour was spent. The next  
meeting will be held at the  
home of Mrs. John Dales, An-  
drew St. on Tuesday, October 17  
at 8 p.m.

### HOPE

The Hobby club will meet at  
the home of Mrs. Jack Farr on  
Tuesday, Oct. 17, at 2 p.m. Roll-  
call, trees not native to Canada.  
Lunch committee, Mrs. Lin Farr,  
Mrs. A. Dike, Mrs. A. Bernal,  
Mrs. E. Evans.

### CARD OF THANKS

I wish to express my sincere  
thanks to my neighbors and  
friends for the lovely flowers and  
cards sent to me during my illness  
in York County hospital. Special  
thanks are extended to Dr. W. C.  
and Margaret Arkinstall and the  
hospital staff. Mrs. H. Doonan.

### CARD OF THANKS

The members of the True Blue  
Lodge wish to thank the mayor  
and the Newmarket council for  
granting the Tag Day on Satur-  
day, Sept. 16, also the people who  
gave so willingly to make our tag  
day a success. We would also like  
to thank Hilldale Dairy for dona-  
ting milk for the children's lunch,  
also Frank Bowser for giving  
peaches. Total for tag day \$125.  
High was Billy Williamson, \$17.50;  
2nd Carry Euglen, \$13.00; 3rd  
Morris Gilpin, \$10.00.

Mr. and Mrs. Howard Zimmerman were married recently at St. Paul's Anglican church, Newmarket. They are pictured with their attendants, Douglas Ropp, Earley Thompson, Harold Smith, the bride and groom, Mrs. Mary Gilroy, Miss Audrey Brice and Karen Peat. The bride was the former Audrey Peat. ### 25-YEAR EMPLOYEE FETED BY COMPANY

Miss Dora Doane became a  
member of the 25 Year club of  
the Robert Simpson Company  
last week. As one of the 72 new  
members welcomed to this club  
she attended the 25 Year club  
seventh annual dinner at the  
Arcadian Court on Thursday  
evening, Oct. 5, as well as the  
other functions planned in their  
honor.

The club, of which there are  
752 members, is made up of the  
men and women from Simpson's  
units across Canada, each of  
whom has completed 25 years  
with the company. Included  
among this year's newcomers is  
E. G. Burton, president of the  
firm.

The out-of-town members  
were the guests of the company  
at the Royal York hotel from  
Thursday to Sunday. At the  
banquet they were presented  
with a gold watch, a gold com-  
pact, a blue and gold 25 Year  
club pin and a scroll commemora-  
ting the event. This was the  
first time that ladies of the order  
offices had the privilege of re-  
ceiving a watch and becoming  
members of the club.

On Friday morning they were  
taken by bus to Glenora Home,  
Erindale, where they had lunch-  
eon. Later in the day they re-  
turned to Toronto where the new  
25 Year club members were taken  
on a two-hour tour of places  
of interest in the city. The fol-  
lowing day there was a trip to  
Niagara Falls with the group  
having luncheon at the General  
Brook hotel.

Miss Doane spent thirteen and  
a half years in the Toronto store  
prior to her transfer to Newmar-  
ket where she opened this office.  
Local residents are familiar with  
Miss Doane's friendly manner  
and courtesy which have charac-  
terized her 25 years of service  
with this firm. They join in  
congratulating her on this occa-  
sion.

### VANDORF

Wesley United Church Wom-  
en's Association held its meet-  
ing at the church Wednesday  
evening, Oct. 4, with Mrs. Rolfe  
Scott presiding. The missionary  
topic was on Newfoundland and  
was presented with slides by  
Rev. E. C. Moddle. Devotional  
period was in the charge of Mrs.  
Baber and Mrs. Irwin. Mrs. Roy  
Morley and Mrs. Moddle each  
sang a solo which was very much  
enjoyed. A lovely lunch was  
served by Mrs. S. Stevenson,  
Mrs. M. Loucks, Miss A. Dike  
and Mrs. Grant Morley.

Mr. and Mrs. Herbert Oliver  
were guests at the Hoover-Pres-  
ton wedding last Saturday.

Mr. and Mrs. Herbert Oliver,  
Miss Ruth Oliver and Miss Syl-  
via Smith had Thanksgiving din-  
ner with Mr. and Mrs. J. Oliver.

Mr. and Mrs. Willis Jarvis and  
family of Blackwater and Mr.  
and Mrs. Harvey Ewen and fam-  
ily of Holt had Thanksgiving  
dinner with Mr. and Mrs. J. Ir-  
win.

Mr. and Mrs. Jack Robinson  
and family visited the latter's sis-  
ter, Mrs. Norman Coultis, and Mr.  
Coultis at Churchhill.

Mr. and Mrs. Albert Dunn of  
Toronto spent the Thanksgiving  
weekend with the latter's sister,  
Mrs. S. Aylett, and Mr. Aylett  
and family.

Mr. and Mrs. James Mitchell  
and family, Toronto, Mr. Angus  
Grant of Orangeville had  
Thanksgiving dinner with Mr.  
and Mrs. Harold Sleeth and  
family.

Mr. and Mrs. Bert Baber and  
family spent Thanksgiving with  
Mrs. Jack Baber and family at  
Burlington.

Mrs. H. A. White and son John  
spent the Thanksgiving weekend  
visiting friends and relatives at  
Ingersoll and St. George.

Mr. and Mrs. Robt. Harbinson  
of Markdale, Miss June Harbin-  
son and Mr. Edward Richardson  
of Toronto were Thanksgiving  
guests of Mr. and Mrs. Walter  
Graham.

Mr. and Mrs. Russell Graham  
visited on the Thanksgiving  
weekend with the former's sis-  
ter, Mrs. Plowright, and family  
at Minnesing.

Mr. and Mrs. William Hill of  
Beaconsfield were Thanksgiving  
guests of the latter's sister, Mrs.  
Garnet Meyers and Mr. Meyers.

A very enjoyable evening was  
held at the home of Mr. and Mrs.  
C. Ball when a number of friends  
and neighbors gathered on Fri-  
day evening for a shower in  
honour of Miss Betty Allen who  
was being married to Mr. Mike  
Stanko. They received many  
useful gifts and best wishes.

### ST. PAUL'S CHURCH

Next Sunday is Youth Sunday  
in all the Anglican churches and  
will be observed at St. Paul's,  
Newmarket, by having some of  
the senior scholars of the Sun-  
day-school take part in the ser-  
vices of the day. Next week the  
Afternoon branch of the W.A.  
will meet on Wednesday at 2.30  
instead of Thursday which is the  
day of the annual chicken party  
supper sponsored by the Ladies'  
Aid Society of the church.

Today the Afternoon branch of  
the W.A. is holding its monthly  
devotional and business meeting  
in the chapel.

### ST. ANDREW'S W.M.S.

#### TOLD OF RALLY

The thank-offering meeting of  
the Women's Missionary Society  
of St. Andrew's Presbyterian  
church, Newmarket, was held on  
Wednesday afternoon, Oct. 4, at  
the home of Mrs. W. M. Cock-  
burn. Mrs. M. E. R. Boudreau,  
president, was in the chair and  
opened the meeting with prayer.

Scripture was read by Miss  
Margaret Gilmour. Mrs. Boud-  
reau gave an interesting report  
on the Toronto East Presbyterian  
fall rally. Roll-call was answer-  
ed by the reading of clippings  
from reports of the council meet-  
ing in Guelph in September.

Miss Margaret Gilmour, Glad  
Tiding secretary, announced that  
the renewals for the 1951 sub-  
scriptions for Glad Tidings were  
now in order. Refreshments were  
served by the hostess with a  
social hour being enjoyed by the  
ladies. The November meeting  
will be held at the home of Mrs.  
Roy McDonald.

### OBITUARY

#### Thos. H. Legge

Funeral services were held in  
Aurora on Wednesday, Oct. 11,  
for Thos. H. Legge who died at  
the home of his son, P. S. Legge,  
Newmarket, on Sunday. He was  
a former reeve of King township  
and later of Aurora, serving for  
several years on both councils.  
He was in his 90th year.

Born at Bond Lake July 27,  
1891, he was the son of the late  
Mr. and Mrs. Thos. Legge. He  
married Jane Stephenson Decem-  
ber 5, 1893. She predeceased  
him on November 15, 1930. An  
insurance agent in later years,  
he retired at the age of 85.

Surviving are eight sons, Les-  
lie, Roy, Everett, Ivan, Ray, Sid,  
Ben and Norris, as well as a  
daughter, Mrs. W. D. (Corra)  
Paxton. A brother, Nelson, lives  
in Edmonton, Alta., a sister, Bes-  
sie, in Lethbridge, Alta., and  
Benjamin Stephenson, Aurora, a  
brother-in-law.

The funeral service was held  
at the P. M. Thompson funeral  
home in Aurora conducted by  
Rev. M. E. R. Boudreau, New-  
market. Interment was at King  
City cemetery. Pallbearers were  
six sons, Roy, Les, Ray, Sid, Ben  
and Norris.

Vancouver trade board officials  
favor a southern natural gas  
pipeline route from Alberta to  
the coast. Easier terrain through  
the U.S. would mean lower  
building and maintenance costs,  
cheaper gas for Vancouver citi-  
zens.

### Rev. Norman Rawson

#### Guest for Y.P.C. meeting

The annual meeting and elec-  
tion of officers of the York North  
Young Progressive Conservative  
Association will be held on Sat-  
urday, Oct. 14.

The meeting will begin at 3  
p.m. in the Legion Hall on Yonge  
St., Aurora and the guest speak-  
er will be Mr. Jack McNe, pre-  
sident of the Ontario Y.P.C. As-  
sociation.

The election of officers will be  
conducted by the national sec-  
retary, Mr. Donald Hueston. At  
six o'clock the Annual Dinner  
will be held in the Graystones  
and the speaker will be Rev.  
Norman Rawson of Hamilton.  
Because it is believed that many  
seniors and their friends will be  
interested in hearing Mr. Raw-  
son, the dinner is open to the  
public. Mr. Rawson has just re-  
turned from an extensive Euro-  
pean tour and is much in demand  
as a speaker in both Canada and  
the United States.

**YOUNG HOPEFULS** BY DOROTHY MUIR BOWMAN

**Obedience saves lives**

Dougie, three years old, escaped serious injury because he heeded his father's warning.

While the family was preparing for a picnic in the park, Dougie left the scene of activity and crossed the road to get his ball out of the car. No one saw him go, but the slamming of the car door attracted his father's attention to the fact Dougie was missing.

Just as Dougie with his ball in his arms made an appearance around the front of the car, another car turned into view and was headed toward the path Dougie was taking. There wasn't time for Dougie's father to cross the street or stop the oncoming car. He did the only thing that could save his son from a terrible accident. He yelled, "Dogie, stay there!"

As if in answer to a military command, Dougie came to an abrupt stop. One step further and Dougie would have been hit by the oncoming car. The road was narrow and little used and the driver would have had no chance to avoid Dougie if the small boy had darted beyond the parked car.

Emergencies do arise when quick-thinking on the part of adults and a sudden command need immediate response to save the situation. When dealing with young people, it is important to save the short shouted command for emergencies when real danger is evident.

Ordinary direction and instruction should come as part of a normal conversation in a normal speaking voice. Most three-year-olds are too young to reason with; however, they soon learn to respect their parents' opinions if they are consistent and reasonable with them.

Children actually become immune and deaf to too frequent repeated orders shouted at them.

**THE HOMEMAKERS**

**Soup's the stuff for fall**

Once the first frost has nipped the garden and the calendar shows us that October is here, the family will appreciate hot, satisfying soup for supper.

Soups using milk are one excellent way of adding extra milk to the diet of those adults who would not otherwise get their daily quota. If the cream soup has vegetables, this too helps in getting both children and adults to eat an extra portion of vegetables.

Thick chowder-type soups are excellent hot supper dishes for early fall days.

**CORN CHOWDER**  
1/2 cup chopped onion  
3 tbsp. butter  
2 tbsp. flour  
3 cups cubed, cooked potatoes  
2 cups canned corn  
4 cups liquid (water drained from potatoes and milk)  
2 tsp. salt  
1-2 tsp. pepper  
Chopped parsley  
Cook onion in butter until onions are slightly browned. Blend in flour. Add potatoes, corn, milk and potato water. Season with salt and pepper. Cook three to five minutes. Sprinkle with chopped parsley before serving. Yield: six servings.

**CHEESE AND ONION CREAM SOUP**  
2 tbsp. butter  
1 cup thinly sliced onions  
1 1/2 cups flour  
3 cups milk  
1 tsp. salt  
Dash of pepper  
1/2 cup grated medium Cheddar cheese  
Melt butter, add sliced onions and cook over direct heat, stirring constantly, until clear, about five minutes. Place over hot water, stir in flour and blend well. Add milk gradually and continue cooking, stirring constantly, until thickened. Add salt, pepper and grated cheese, stirring until cheese is melted. Garnish with chopped parsley before serving. Yield: six servings.

**PEA CHOWDER**  
2 tbsp. fat  
1 medium onion, 1/2 cup minced  
1 1/2 cups boiling water  
1 20-oz. can peas  
2 cups raw potato, sliced  
1 1/2 tsp. salt  
1/4 tsp. pepper  
1/4 tsp. paprika  
1/4 tsp. celery salt  
1 tbsp. flour  
1 tbsp. melted fat  
3 cups hot milk  
Melt fat in soup kettle, add onion and cook five minutes without browning. Add boiling water and liquid from peas. Bring to boil and add potatoes. Add seasonings. Boil five minutes, add peas and cook until potatoes are tender, about ten minutes. Mix flour with melted fat, blend in hot milk. Add to vegetables and cook three minutes longer or until slightly thickened. Three slices of crisp bacon, cut in pieces or two or three cooked sausages or wieners, sliced, may be added, if desired. Yield: six servings.

**EUCHRE, BRIDGE AID WILKIE FUND**

The Wilkie fund was considerably increased as the result of a successful bridge and euchre held October 4 by the Aurora Business and Professional Women's club at Gray Stones. Sixteen tables were played and prizes for bridge were won by Mrs. A. Bretz and Mrs. W. Wilson and Mrs. Harold Clarke, consolation. Euchre prizes went to Mrs. Bill Case and Miss Marie Morning, and Miss Dorothy Ward, consolation. A turkey draw held during the evening was won by Mr. Archie Cousins. The proprietor of Gray Stones kindly donated the use of the hall as his contribution to the evening's proceeds, some of which will be used for hospital treats.

**The Common Round...**

**LOOK, LISTEN AND LEARN**

It was my privilege and a great pleasure recently to be present at three Institute meetings—our own at Bogartown, one at Snowball and one at Gormley, and it seems to me that the strong individuality of each branch with its accompanying concrete results is going far to make the world woman-conscious.

Even if the Women's Institute movement were only Ontario wide, it would make itself felt. But an organization which has reached out embracing arms to nearly every country not inside the iron curtain has, as its stage, a large part of the world and its members, for their roles, giving voice to the needs, hopes and accomplishments of women the world over.

We have been hearing Anna Lewis, Mrs. Fletcher and others speak from Copenhagen on world matters as they concern women and that was grand and outstanding work, but let us never forget that the small branches are doing the ground work and feeding the greater work. Just briefly I'd like to speak of the three meetings I mentioned at the first of this article.

**Bogartown Meeting**  
The first one was Bogartown which met at Mrs. J. Preston's home and at which we had a demonstration. I don't mean a strike or a demonstration against anyone or thing—it was a sewing machine in action which kept us fascinated. In other articles I have told of my dread of these useful creations, so it was with something like awe that I watched Mrs. Russell manipulate odd looking contraptions with apparently no fear of retaliation and nonchalantly produce tucks and pleats and frills and hems that filled me with admiration but no burning desire to emulate.

I have seen Mrs. Russell act, but she never had a more attentive or admiring audience than those of the Bogartown W.I. Someone said to me, as we watched, "I've a lot of those gadgets but I never dared use them," and I can remember a lot on our machine too, and I think my mother used a few of them, but lots of them were never even lifted out of their nest.

There were many gifted sewers at the meeting that day who enlarged sewing horizons, seeing more worlds to conquer. Mrs. Fletcher sang very pleasingly and there was a good contest. Plans are in the offing for our bazaar — a Bogartown Institution.

The next meeting was at Snowball and was held in Miss Sandra Harding's studio. I was with a party of former members of their Institute, now in other places—Mrs. Alvin Ridley, Mrs. Albert Ridley and Mrs. Elgin Evans, who was at the first Snowball W.I. It was a sort of homecoming for them and they received a royal welcome.

The amount of business in all three Institutes intrigued me. The post of secretary is no sinecure. Nearly every worthwhile cause appeals to the Institutes and each plea is met with sympathy and a readiness to help that shows how truly the members are trying to live up to motto and collect.

One of the Snowball plans which interested me was its hope to visit De La Salle Institution for mentally deficient youth. Mrs. Reddick told us that it welcomed visitors, especially on Saturdays, and always served refreshments. It seems to me that this is an institution that calls for our pity and sympathetic understanding.

Snowball has many plans for beautifying and serving its community. The writer of this article was guest speaker, being district convenor of community activity and public relations. She did her best and the audience was kind. Miss Harding gave two fine violin solos which were thoroughly enjoyed and a little girl and Miss Harding played a delightful piano duet.

**Gormley Meeting**  
The third meeting was at Gormley where our Institute was guest. This meeting was at the home of Mrs. Smith. When we got settled, I sat and stared rudely, I suppose, at a butterbowl full of a great mass of odd looking curled leaves with a centre of lovely pale green feathery moss and a great stalk in the centre supporting a flower.

However, the mystery was solved when we found that the Gormley W.I. was studying wild flowers and soon our hostess gave a talk on the pitcher plant after which she removed it for she saw its habit of eating flies makes it malodorous.

This branch is planning a concert and is having a market. And one member gave a paper on Nova Scotia. Our branch was responsible for the program. Mrs. Walker gave a reading on Friendship, Miss Starr gave a paper on bees. Mrs. Earl Toole gave a humorous reading and Mrs. Fletcher and I each sang a couple of times. As I had been fighting a losing battle with laryngitis for a week, I expected to either end on a squeak or open my mouth and no sound would come. If I hadn't had Gladys Ridley to play for me, I would have stopped before I started, but Gladys could find me even if I skipped a couple of lines—she's done it so we came through without a catastrophe. Mrs. Cecil Wood gave a reading entitled "Pack of Cards".

At all these meetings a delicious lunch followed the program and people enjoyed the social part of the meeting to the fullest extent. The three presidents, Mrs. A. Penrose, Mrs. Patrick

Port Alfred, Que. — unloading bauxite

Port Alfred — loading aluminium

**"...add a pinch of bauxite"**

It is a recipe for a bigger, richer, more comfortable Canada. The "pinch" is scores of shiploads of the red earth — bauxite — from British Guiana. A three-thousand-mile ocean journey ends at Port Alfred on the Saguenay River. Then the bauxite goes by rail to the electrical "kitchen" at Arvida a few miles away. There aluminium is refined from the bauxite by using electricity provided by harnessing the same Saguenay.

You see, the Saguenay provides two essentials for making aluminium — deep water for cargo ships and cataraacts for power — within a few miles of one another.

Standing on the dock at Port Alfred, you see something unique. You watch freight cars filled with bauxite disappear over a hill and return with shining aluminium. The process of turning bauxite into aluminium has added Port Alfred and the city of Arvida to Canada's living space, and opened new opportunities for thousands of Canadians.

## Queensville News

Mrs. Max Batt spent the Thanksgiving weekend with her brother in Burke's Falls. Mrs. A. Smith, Miss M. Miller and Mrs. C. Milsted attended the Women Teachers' Federation meeting at Bogartown school on Thursday evening.

The teachers' meeting of the teachers of Georgina, North Gwillimbury and East Gwillimbury townships and Mr. O. M. MacKillop, inspector of public schools, and his assistant, Mr. Code, met at Queensville school on Friday afternoon, Oct. 6. Mr. Anderson, Roche's Point, was elected president for 1950-51; Mrs. Proctor, Sharon, vice president, and Mrs. Cheateley, Roche's Point, sec. treas. The guest speaker, Dr. King, spoke on the new health unit for North York which has been recently established in the schools of North Gwillimbury and Georgina. This is certainly a forward step in the health problems of the schools. Inspector MacKillop spoke briefly and then introduced his assistant, Mr. Code. Refreshments were served by Mrs. A. Smith, Miss M. Miller and Mrs. R. Robertson.

Miss Marian Warren spent the weekend with her friend, Miss Jean Arkinstall. The October meeting of the Evening Auxiliary will be held at the home of Mrs. John Alleyne on Tuesday evening, Oct. 17, at 8 p.m. standard time. The guest speaker, Mrs. Francis Starr, will speak on her work while in India. Mrs. Starr is a capable and interesting speaker and we would like all the members and friends to plan on hearing her. The hostesses are Mrs. M. Batt, Mrs. A. Oliver and Mrs. J. Morrison.

On Monday evening, Oct. 16, at 8 p.m. in Hillside school, the National Film Board will be presenting the following films, Canoe Country, Feeling of Hospitality, Green Gold (forestry conservation), Life of the Ant and Woodwind Choir. Everyone is invited to attend.

Mrs. John Alleyne spent the holiday weekend with her son and daughter-in-law, Mr. and Mrs. Harry Alleyne, in Toronto.

Mr. Geo. Walker, Victoria Harbour, spent a few days with his son-in-law and daughter, Mr. and Mrs. L. Wellman.

Mr. and Mrs. C. Winger and Sandra, Welland, were Thanksgiving guests of Mr. and Mrs. F. Winger.

Mr. and Mrs. Jos. Aylward and daughter of Toronto, spent the Thanksgiving weekend with Mr. and Mrs. J. B. Aylward.

Mrs. Bishop, Bolsover, spent the weekend with her son-in-law and daughter, Mr. and Mrs. Art Bennington.

Misses Elsie Huntley and Joyce Kyle left on Sunday for New York where they will be staying for a week or so.

### Bob Hamilton tops Schomberg club scores

The Achievement Day for members of the Schomberg Calf club as part of Schomberg Fair and despite a cold, threatening day, was quite successful. Sponsored by the Schomberg Agricultural Society in co-operation with the dominion and provincial departments of agriculture, the calf club provides training in raising, feeding, judging, fitting and showing cattle at monthly meetings during the summer months. The season's work concludes at the Achievement Day when the boys show their calves and later compete for showmanship.

Winning calves were shown by the following boys (in order): Holsteins, John Heacock, Bob Hamilton, Harry Brock and Glen Hulse; Jerseys, Jim Sheardown, John Sheardown and Hugh Sheardown; Guernseys, Lorne Lipsett, Reginald Lipsett. In showmanship, where the boys are judged on how well the calf has been prepared and how it is shown in the ring, the winners in order were, Jim Sheardown, Bob Hamilton, John Heacock, Glen Hulse and John Sheardown.

As a result of the awards made at the Achievement Day, the final standing on the year's work, based on 400 points for the calf, 100 points each for showmanship, written examination, judging competition, feed records, attendance and interest at meetings; and care and feeding as observed on monthly visits, are made as follows with the total score out of 1,000 in brackets:

Bob Hamilton (945); John Sheardown (904); John Heacock (882); Glen Hulse (880); Reginald Lipsett (854); Lorne Lipsett (833); Hugh Sheardown (830); Jim Sheardown (825); Harry Brock (728); and Bob Irwin (444). In fairness to Bob Irwin it should be mentioned that his calf died accidentally shortly before the show and he unfortunately could not compete at the Achievement Day.

## PINE ORCHARD

Don't forget the Women's Institute croqu Shore party at the school, on Friday evening, Oct. 13, at 8 o'clock. Cafeteria lunch. Everybody welcome. Proceeds for W.I. work.

Congratulations to P.O. home-maker's club on winning first prize at Markham fair on exhibit - "Something new from something old", and second prize on "Table setting for two", also the Garden club won first prize on its garden and flower exhibit.

Beth Johnston won third prize on canned tomatoes and salad plate.

Pine Orchard was well represented at the Markham fair. It was ideal fall fair weather and it is reported to have had a record attendance.

Mrs. Floyd Simpson, Grimsby, was a recent guest of Mr. and Mrs. James Hope.

Mr. and Mrs. Harold Eveleigh and family of Aurora and Mr. and Mrs. W. Johnston and Earl spent Sunday with Mr. and Mrs. R. Chapman.

There was a good attendance at pot luck dinner at the home of Mrs. E. Johnston on Wednesday, Oct. 4. A quilt was completed for missionary sale. Willing Workers are taking orders for Christmas cards.

Mrs. W. Galley and Carolyn, Toronto, spent Thanksgiving weekend with Mr. and Mrs. Wesley Lundy.

National Film Board pictures were at the School on Tuesday evening.

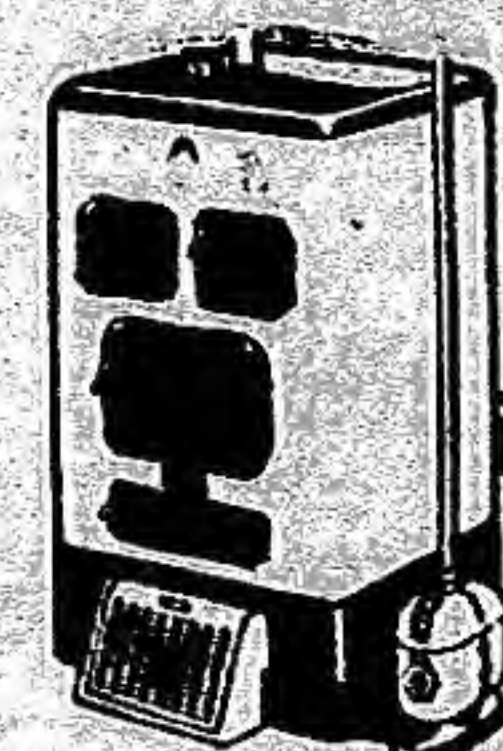

Miss Ethel Giles, Toronto, spent the weekend with Mr. and Mrs. E. Edwards, Cedar Valley. Ronnie Preston, young son of Mr. Clarence Preston, had both arms broken in an accident recently. Best wishes, Ronnie, for a complete recovery.

## No other truck comes close to these 12 features you get in a GMC

Before you buy a new truck, study the chart above. It lists twelve important facts about the trucks offered by GMC and other makers in Canada. You'll find yourself drawing two main conclusions from it:

1. No matter what you want in a truck, GMC offers it . . . there's no need to look beyond GMC, for GMC and GMC alone offers every style, every capacity, every feature you can require.

2. You can't afford to buy any other make, if real truck value is what you're after! For time after time as you go through the list you'll find a feature you want—important to your profits or comfort or safety—that's offered by none of the other makers listed! No other maker offers

more than 2 of the 12 features that the GMC line, up to and including the three ton, gives you.

GMC's many plus values help to explain why a GMC will give you years longer service—with lower maintenance cost. It's a real truck—built by the world's largest exclusive maker of commercial vehicles.

Your GMC dealer will be glad to show you the ruggedly handsome new 1950 models—in a wide range of types and sizes to fill every need. Measured in years of extra service, a GMC is your most economical buy.

# Public School Field Day Results

Keen competition, fine weather and the largest number of contestants ever were features of the annual fall classic, the Newmarket public schools track and field day. Approximately 250 pupils from the four schools, King George, Alex. Muir and Stuart Scott and, for the first time, Prince Charles school entered the events.

The junior events were run off Thursday, the intermediate and senior on Friday afternoon.

The two-day program went along without a hitch and principal H. A. Jackson and the public school teaching staff are to be congratulated for their efforts.

Results (in order of merit) are:

# Haskett's HASH

BY GEORGE HASKETT  
Newmarket Sports Editor

Hurrahs, congrats and well done to Mount Albert ladies who won Lake Simcoe junior ladies' league crown Saturday at the Hoffman diamond. Grand slam finish gave Mounties 8-7 triumph over Sutton in a tight-as-a-drum finish.

Gladys Rolling is one we can single out for special praise. Brought Mount into league at last moment during the season coached, managed, piloted, arranged transportation and played about every position on the team. Can't do much more than that. Mount Albert is worthy champion and holder of Taylor Beale Trophy. Injuries and player shortages didn't deter them.

Curfew rang for our two minor baseball entries over the past week. Pee wees were ousted by Tillsonburg. Tougher was the fate of our bantams who lost to Oakville over 11 thrilling frames. Coach Frank Hollingsworth, Jack Hamilton and Optimist club and chaps handling transportation and umpiring are owing a big vote of thanks. Those travellers of ours came back from Oakville, Tillsonburg and Brampton with a note on better playing conditions in these centres than we have to offer here with well kept diamonds, bleachers and fuller backing for the teams by the fans. Something that should go on our "must" list for next year if Newmarket is going to clutch an O.B.A. championship one of these fine summers. Hard to believe but 400 fans came to see pee wee clash at Tillsonburg.

Subject of fan attendance: Alliston arena, the focus point in the O.L.A. seventh and deciding game, had 1,350 payees. When lacrosse assayed comeback here, wasn't that many in two years. Didn't look like the same game on the concrete floor in the Alliston arena: faster, more accurate passing and there must be something in the argument that it takes the crowd to make the game. Incidentally Alliston won the intermediate C crown, Bradford losing by another one-goal margin, 8-7.

Ice chippings: Get your runners sharpened, kiddies: Could be the Skaters' Waltz will have a go Saturday p.m. Machine ready to go. Canadian ice engineer here this week to get machines rolling. Requires 72-hour running period to get cold through concrete floor, then bingo, flooring starts in earnest, says rink manager Stan Smith. If it works without a hitch Saturday night, Oct. 14, should do it. Line forms to the right.

At Aurora, work flying on front section. Could be November 15 deadline will be beaten. That should make both junior and intermediate hockey executives raise a cheer. Of course, little doubt Tom Dickson will have ice for practices long before front section completed. Anyhoo does appear will have a preview of our junior C's and intermediates here next week. Then we can stop guessing as to the calibre of our O.I.A. teams.

Guessin' games: Any idea how many seats in Newmarket arena?—1,500. Seats marked out during the summer months. Checked them over Monday with Stan Smith, total 1,317 seats. How many standees? Well this year, hope to find out. Actually

Wayne Warner, Jack Austin (3' 9"); running broad jump, Brent Ransom, Bob Primrose, Jim Eakins (6' 3"); 40 yd. dash, Brent Ransom, Wayne Warner, Allan Heath.

Boys six years: high jump, Bill McComb, Ken Needler, Wayne Edwards (2' 8"); standing broad jump, Roger Fines, Ken Weir, Ken Needler (4' 2 1/2"); running broad jump, Bill McComb, Brian Pent, Wayne Edwards (8' 1 1/2"); 40 yd. dash, Bill McComb, Terry Gibney, Roger Fines.

Boys seven years: high jump, Garfield Crawford, Geo. Evans, Myron Taylor (1' 7"); standing broad jump, Myron Taylor, Garfield Crawford, Terry Peever (5'); running broad jump, Garfield Crawford, David Coupland, Terry Peever (8' 3 1/2"); 40 yd. dash, Garfield Crawford, Myron Taylor, Bob Jacques.

Junior girls' champion, Janet Macnab, 11 points; runner-up, Carol Gairdner, ten points; junior boys' champion, Garfield Crawford, 11 points; runner-up, Bill McComb, nine points.

## RELAY RACES

Ball relay winners, Betty Ann Hill, Michael Smith, Donna Townsley, Bryan Russell, Marlene Sheridan, Kenneth Shropshire, Beverley Trivett, Kenneth Smart, Georgina Shadwick, Wayne Dewbury, Sharon Scott, Garfield Crawford.

Block relay winners, Ann Lynn Henney, Wayne Dewbury, Allen Rennie, Susan Paters, Jeffrey Lambe, Anne Bradley, Gail McKnight, Ronald Cowal, Julia Leo, Wayne Greenfield, Joyce Bell, Keith Burling.

## What's it really worth?

The smile of a shut-in who knows you haven't forgotten...  
The rush of fire-trucks answering a frantic call...  
The daily ordering of food for the family meal...  
The friendly chat, the urgent reminder, the important business decision...

IT'S HARD TO MEASURE THE TRUE VALUE OF ALL THE THINGS YOUR TELEPHONE DOES FOR YOU.

YET TELEPHONE SERVICE is one of the smallest items in your family budget. And at the same time your telephone brings twice as many telephone users within your reach as it did ten years ago. Today, as always, your telephone is big value.

THE BELL TELEPHONE COMPANY OF CANADA

IF YOU ARE WAITING FOR A TELEPHONE, or for a higher grade of service, you have our assurance that you will have it just as quickly as we can provide the necessary facilities. Our continuing goal is to provide the kind of service to all who want it, when and where they want it.

# GIRL, 19, PLUNGES 30 FEET INTO ROCK-STREWN RIVER

Thérèse Morin, of Chateau d'Eau, near Quebec City, saves youngster about to be swept over falls

1. The little girl, daughter of a vacationing Quebec druggist, had been playing with her friends on the rocks that border the St. Charles River at Chateau d'Eau. With the typical over-confidence of a 9-year-old child, she came too close to the edge—lost her footing and fell into the water. Within seconds she was carried away by the current!

2. Miss Thérèse Morin was on a bridge when she heard the cries of the drowning youngster. Although she had just finished a large meal and that it was 30 feet down to the water's surface, she plunged into the rock-strewn river. Her feet had been cut by the jagged rocks, but she managed to reach the child—just as she was reaching the falls!

3. Strong swimming and a plentiful supply of courage enabled Thérèse Morin, not only to grasp the child before she was swept over the falls, but also to bring her safely in to shore. Because her instinctive action was in keeping with the highest traditions of good citizenship, we are proud to present this brave Canadian girl with The Dow Award.

THE DOW AWARD is a citation presented for acts of outstanding heroism and includes, as a tangible expression of appreciation, a \$100 Canada Savings Bond. The Dow Award Committee, a group of editors of leading Canadian daily newspapers, select Award winners from recommendations made by a nationally known news organization.
